Dear Mr. Watkins,

Donation by the Gwent MG Owners Club to the British Heart Foundation.

I was delighted to receive, on behalf of the British Heart Foundation Cymru, the very generous donation to the value of £705.95, from the Gwent MG Owners Club following the fund raising event at Caldicot Castle last month.

It was an amazing event and I thoroughly enjoyed the day and meeting all the club members. Thank you all very much for the support you have given the BHF and I wish you all the very best for the future.

The British Heart Foundation is the nation's heart charity, dedicated to saving lives every day through pioneering research, caring for patients and families, campaigning for change and providing vital information to help people care for their own heart health. But we urgently need you to help us, because we rely on your donations to continue our life-saving work. Together we can beat heart disease, for those living today – and tomorrow. The need is urgent. That is why the BHF funds more heart research than any other UK charity – spending over £100 every minute of every day.

Please do not hesitate to contact me if you need any further assistance or information, please see my contact address and telephone numbers below or if it is easier you can e-mail me on (lockettr.malpas@ntlworld.com)

Many thanks and kind regards

Anne.
